What do you appreciate most about DMC?

The freedom to be creative in how I teach, the fact that my passion is my work, and the ability to see a slow but steady transformation in the lives of my students.

Fun Facts and Favorite Bible verse

I have three kids (Lincoln 4, Elizabeth 2, and another due in October), have been married for 10 years (Heidi), love to go downhill skiing, don't dance, was voted the "most charming and humble" by the Covenant Social Studies Department, and my favorite chapter of the Bible is Job 26.
