What do you appreciate most about DMCS?

I appreciate the dedicated and hardworking staff. I had a parent's perspective first and was impressed with the teachers and their love for my children. Now as a staff member, I have the privilege to see behind the scenes and I am incredibly blessed to witness and be a part of the inner workings at DMCS

Fun Facts and Favorite Bible Verse

I am married to my best bud Mark and we have three children; Gracie, Coralee and Levin.

"I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life" (John 8:12). This verse is a great reminder to me who I belong to and how, because of His great love, I can always walk in His light and have nothing to fear.
