What do you appreciate most about DMC?

I appreciate the atmosphere. Everyone seems to be like one big happy family around here and it reminds me of the small Christian school I attended in high school. I also enjoy the sports culture here. It is fantastic to see how all of the students and family rally around the sports teams.

Fun Facts and Favorite Bible Verse

I have a wife (Evonne), a son (Brendan), and a baby due in October. If I am not coaching or teaching, odds are I am spending time with my family watching a movie or going to the park. In a spare moment I may watch the occasional sporting event as well. My life verse is Galatians 2:20, "I have been crucified with Christ and I no longer live, but Christ lives in me. The life I now live in the body, I live by faith in the Son of God, who loved me and gave himself for me."
